

About Us

People have enjoyed the relaxation and rejuvenation of the mind and soul from ancient times to the present day, which contributes to people living healthier and happier lives.

Today, the world is spinning faster, and the need for physical and mental vitality is increasing. We, who are aware of this, have embraced a personalized service approach. With our educated, experienced, and responsible staff, along with our exclusive atmosphere, we consider it our duty to create a SPA and FITNESS CENTER where our guests can unwind from their daily stresses.

At OCEAN SPA, where you will achieve inner tranquility and escape from a stressful environment, you will rediscover your health and yourself through exercise, swimming, sauna, steam bath, traditional Turkish bath, and professional therapists providing skin and body care, as well as classic and Far Eastern massages.

Our Philosophy:

Our philosophy is to create a holistic balance for the body, both physically and mentally, to ensure that individuals are healthy and fit.

Our Vision:

Our vision is to contribute to people living a healthier and more vibrant life.

We

As Ocean Club Fitness & Spa, we have been providing services in the Wellness and Fitness industry in various regions of Turkey for 23 years since 1999.

We operate in 27 separate centers.

Our company, which is a leader in the Fitness and Spa sector in Turkey, also offers consultancy services in the construction of spa areas.

Our company has always prioritized hygiene, and during the pandemic period, we have taken all necessary precautions and measures to provide services in accordance with the regulations set by the Ministry of Health.

Out of our workforce of 850 employees, 350 are therapists from the Far East. In our establishments, our goal, with our trained, passionate, and friendly staff and years of experience, is to provide the highest quality service and ensure the utmost satisfaction of our guests.

Serving a larger audience, continuous self-improvement, and healthy growth are among the goals of our business.

It would be a great source of pride for us to offer our exclusive services to your guests and collaborate with you.

Looking forward to working together...
